DETAILED ACTION

This communication is in response to applicant's paper filed on 6/21/2007.

Note: Provide legible copy of claims and remarks submitted on 6/21/2007.

Provide legible copy of IDS submitted on 7/19/2007.

Allowable Subject Matter

Status of Claims: Claims 1-43 are pending and have been allowed.

The following is an examiner's statement of reasons for the indication of allowable subject matter allowance:

Independent claims 1, 16, 22, 36 and 39 are allowed because the closes prior art references of Ordish (US 5,195,031) and Oliviero Stock (Oliviero Stock "Natural Language and Exploration of an Information space: the ALFresco Interactive System", IRST - Istituto per la Ricerca Scientifica e Tecnologica, 38050 Povo, Trento, Italy.) in any combination failed to teach or render obvious to one of ordinary skill in the art, a system of: conversational trading where each deal having a plurality of statuses after initial and before completion of the deal, detecting change in deal status, and generating a deal string appropriate to the changed deal status.

The major difference between this invention and relevant prior art Ordish (primary reference) is: Ordish discloses a video communication trading system network which

Art Unit: 3693

employs a conversation analyzing keystation terminal controller for parsing a trading conversation between designated keystations for providing trading conversation context sensitive trading data messages where the parsing begins the conversation in relation to the new type of deal (e.g. spot deal, swap/forward, deposit, etc). Secondary reference Oliviero Stock discloses natural language dialog processing and artificial intelligent system with hypermedia to parse the input information and provide a large number of alternative interpretations of sentences as an output. While current invention parser detects a change in or intention to change deal status.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
